STATEMENT OF OBJECTS AND REASONS

The system of employment of inter-State migrant labour (known in Orissa as Dadan Labour) is an exploitative system prevalent in Orissa and in some other States. In Orissa, Dadan Labour is recruited from various parts of the State through contractors or agents called *Sardars*/*Khatadars* for work outside the State in large construction projects. This system lends itself to various abuses. Though the *Sardars* promise at the time of recruitment that wages calculated on piece-rate basis would be settled every month, the promise is not usually kept. Once the worker comes under the clutches of the contractor, he takes him to a far-off place on payment of railway fare only. No working hours are fixed for these workers and they have to work on all the days in a week under extremely bad working conditions. The provisions of the various labour laws are not being observed in their case and they are subjected to various malpractices.

2. The Twenty-eighth Session of the Labour Ministers' Conference (New Delhi, October 26, 1976) which considered the question of protection and welfare of Dadan Labour recommended the setting up of a small Compact Committee to go into the whole question and to suggest measures for eliminating the abuses prevalent in this system. The inter-State migrant workmen are generally illiterate, unorganised and have normally to work under extremely adverse conditions and in view of these hardships, some administrative and legislative arrangements both in the State from where they are recruited and also in the State where they are engaged for work are necessary to secure effective protection against their exploitation. The Compact Committee which was constituted in February, 1977, therefore, recommended the enactment of a separate Central legislation to regulate the employment of inter-State migrant workmen as it was felt that the provisions of the Contract Labour (Regulation and Abolition) Act, 1970, even after necessary amendments would not adequately take care of the variety of malpractices indulged in by the contractors/*Sardars*/*Khatadars*, etc., and the facilities required to be provided to these workmen in view of the peculiar circumstances in which they have to work.

3. The recommendations of the Compact Committee have been examined in consultation with the State Governments and the Ministries of the Government of India and the suggestions made by them have been taken into account in formulating the proposals for legislation. The main features of the Bill are as follows:—

(i) The proposed legislation will apply to every establishment in which five or more inter-State migrant workmen are employed or were employed on any day of the preceding twelve months. It will also apply to every contractor who employs or employed five or more inter-State migrant workmen on any day of the preceding twelve months.

(ii) The establishment proposing to employ inter-State migrant workmen will be required to be registered with registering officers appointed under the Central Government or the State Governments, as the case may be, depending on whether the establishment falls under the Central sphere or State sphere. Likewise, every contractor who proposes to recruit or employ inter-State migrant workmen will be required to obtain a licence from the specified authority both of

the State to which the workman belongs (home State) and the State in which he is proposed to be employed (host State).

(iii) The contractor will be required to furnish particulars regarding the workmen in the form to be prescribed by rules to the specified authority of both the home State and the host State. The contractor will also be required to issue to every workman employed by him, a pass book containing the details of the employment.

(iv) Specific guidelines have been indicated regarding the wages payable to inter-State migrant workman and he is required to be paid wages from the date of his recruitment.

(v) The inter-State migrant workman will be entitled to a displacement allowance and a journey allowance in addition to his wages.

(vi) The amenities that are required to be provided to the workmen would include provision of suitable residential accommodation, adequate medical facilities, protective clothing to suit varying climatic conditions and suitable conditions of work taking into account that they have migrated from another State.

(vii) Inspectors will be appointed by the appropriate Government to see that the provisions of the legislation are being complied with. In addition, power has been given to the State Government of the home State to appoint, after consultation with the Government of the host State, inspectors for visiting the establishments wherein workmen from the former State are employed to see whether the provisions of the legislation are being complied with in the case of such workmen.

(viii) The inter-State migrant workman may raise an industrial dispute arising out of his employment either in the host State or in the home State after his return to that State after the completion of the contract of employment. He will also be permitted to apply for the transfer of proceedings in relation to an industrial dispute pending before an authority in the host State to the corresponding authority in the home State on the ground that he has returned to that State after the completion of his contract.

(ix) Deterrent punishments have been proposed for the contravention of the provisions of the legislation.

NEW DELHI;
The 1st March, 1979.

RAVINDRA VARMA.

PRESIDENT'S RECOMMENDATION UNDER ARTICLE 117 OF THE CONSTITUTION OF INDIA

[Copy of letter No. S-16025 (20) /77-LW, dated the 3rd March, 1979 from Shri Ravindra Varma, Minister of Parliamentary Affairs and Labour to the Secretary, Lok Sabha.]

The President, having been informed of the subject matter of the proposed Inter-State Migrant Workmen (Regulation of Employment and Conditions of Service) Bill, 1979, recommends the consideration of the Bill under article 117(3) of the Constitution by Lok Sabha.

FINANCIAL MEMORANDUM

Clause 3 of the Bill enables the appropriate Government to appoint officers of Government to be registering officers for the purpose of exercising the powers conferred on registering officers under the provisions of the Bill. Clause 7 of the Bill empowers the appropriate Government to appoint officers of Government to be licensing officers for the purpose of exercising the jurisdiction and powers conferred on licensing officers under the provisions of the Bill. Under the above provisions, the expenditure towards the appointment of registering officers in relation to establishments in respect of which the Central Government is the appropriate Government and the expenditure towards the appointment of registering officers in the Union territories of Delhi, the Andaman and Nicobar Islands, Chandigarh, Dadra and Nagar Haveli and Lakshadweep in relation to establishments in respect of which the State Government is the appropriate Government will be met from out of the Consolidated Fund of India. Likewise, the expenditure towards the appointment of licensing officers in relation to Central establishments in the whole of India and in relation to establishments in the State sphere in the said Union territories will be met from out of the Consolidated Fund of India. Clause 20 enables the appropriate Government to appoint inspectors for the purposes of the Bill. Clause 35(2) (m) of the Bill enables the appropriate Government to make rules to provide legal aid to inter-State migrant workmen.

2. It is proposed to entrust the Central industrial relations machinery with the powers and functions of the registering officers, licensing officers and inspectors under the provisions of the Bill in relation to establishments in respect of which the Central Government is the appropriate Government. It is estimated that the additional work that may devolve on the office of the Chief Labour Commissioner (Central) will involve a recurring expenditure of about Rs. 1,31,000 per annum. The total non-recurring expenditure likely to be incurred will be about Rs. 33,000. In relation to establishments in the State sphere in the said Union territories, the powers and functions of registering officers, licensing officers and inspectors under the provisions of the Bill will be entrusted to the existing enforcement machinery in those Union territories and no additional expenditure is likely to be incurred on this account. The expenditure which may be incurred with respect to legal aid to inter-State migrant workmen under the rules which may be made in this behalf will depend upon the type of aid which may be provided for in such rules, the number of inter-State migrant workmen employed from time to time in Central establishments all over India and establishments in the States' spheres in the said Union territories and other circumstances which it is not possible to visualise at this stage. In view thereof, it is not possible to estimate the expenditure that is likely to be incurred on this account with any degree of accuracy.

3. The provisions of this Bill do not involve any other expenditure of a recurring or non-recurring nature.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 35 of the Bill empowers the appropriate Government to make rules for carrying out the purposes of the Bill. Sub-clause (2) of that clause specifies the matters in respect of which rules may be made under this clause. These include, among other things, the form and manner in which an application for the registration of an establishment may be made for the employment of inter-State migrant workmen, the form in which an application may be made for the grant or renewal of a licence by a contractor before he recruits or employs inter-State migrant workmen, the period within which wages payable to inter-State migrant workmen should be paid by the contractor, the time within which allowances or facilities required by the provisions of the Bill to be provided and maintained may be so provided by the contractor, the powers that may be exercised by inspectors, the form of registers and records to be maintained by the principal employers and contractors, the manner of submission of returns to the authorities under the provisions of the Bill and the provision of legal aid to inter-State migrant workmen.

2. The matters with respect to which rules may be made are matters of administrative procedure or detail and it may not be possible to provide for them in the Bill itself. The delegation of the legislative power is, therefore, of a normal character.

AVTAR SINGH RIKHY,

Secretary.
